

York County Dog Training Club Agility Trials March 15-17, 2019

This is a preliminary schedule which is contingent upon the move-up of entries that may not have been received yet. **Please note: ALL the times after the first walk are approximate – DO NOT wait and arrive close to the time listed We are not responsible if you show up late because you thought the class would not start until the times shown below. Please remember that by midday – the times may be as much as ¾-1 ¼ hours off. These times are only approximations - Neither the Judges, the Club or the Trial Sec. will be held to anything other than the start times for the first class of the day.**

For those with conflicts, you are asked to please walk the courses with an EARLIER height group if the conflict would mean you can't walk with your height class. You can also run at the end of the earlier height group or at the beginning of your height group instead of at the end. We realize that handlers with multiple dogs will have some conflicts. Please be sure and consult the Judge and the Gate Stewards in BOTH RINGS that you have a possible conflict. The judge is ultimately responsible for any gate sheet changes during the trial weekend.

NOTE: Walks Split after 60 per AKC recommendations. Any additional splits would be at the Judge's discretion & would be announced at the briefings.
