- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. As of January 1, 2021 For Exhibition only (FEO) and Fix and Go On are permanent parts of the AKC Agility program.

If FEO is not being offered, then the FEO section does not need to be included. But it must be noted on the front of the premium list that “NO FEO is being offered at these trials”.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler’s hand. Toys that roll freely may not be used.

- Food/treats are not allowed in the ring

- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time

(Reminder: This section only needs to be published in the Premium List if the Club is offering FEO.)

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog’s performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

Posted in: [Fix and Go On](#), [For Exhibition Only](#), [Premium List](#)

NEW AKC RULES As of October 1, 2021 Effective October 1, 2021, course maps may no longer be supplied to the club for emailing to the exhibitors the day before. Clubs may continue to publish course maps on websites or email them out, but not before the day of the trial. There will be copies of course maps posted at the trial sight for exhibitors to take a photo with their phones.

Course Maps will be posted day of trial at www.scoresnmore.com

Exhibitors will continue to be allowed to carry their leashes during their agility runs, i.e., place leashes in their pockets when running the course or wear on themselves (i.e., clip like a belt around the waist) effective for all trials. This temporary modification will be made a permanent part of the Regulations effective January 1, 2022.
