Any Junior who is under 18 years old on the day of the show is eligible to compete as a Junior in Performance and Companion Events. The Junior must obtain a Junior Number prior to the day of the event. The ownership requirement is the same as for participating in Conformation Junior Showmanship: the dog must be owned or co-owned by the Junior Handler or the Junior Handler's father, mother, brother, sister, uncle, aunt, grandfather, or grandmother, including corresponding step and half relations, or by a permanent member of the Junior Handler's household."

The above ownership definition must be in place at the time entries are submitted to receive the discount.

Wherever the word "dog" is used in these regulations it includes both sexes. Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate. Puppies under 4 months of age are strictly prohibited from the trial grounds. **DOGS MAY ARRIVE** any time prior to Judging, otherwise, they must be available for measuring before their class begins.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Simplified Jump Height Card Process

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether the dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include the dog entered on the *Dogs to Be Measured List*. It is no longer required that a copy of a dog's jump height card be submitted with an entry form or shown at check-in, although exhibitors are required to have the official form/card with them at the trial to present upon request.

Dogs without a valid jump height card/form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class; this measurement will be valid for this weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid jump height card/form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running, and failure to do so will result in the cancellation of any qualifying scores.

- Entries not submitted on the current official AKC Entry forms or photocopies of entry forms without the Agreement and Rules attached to the Official AKC Entry Form are not acceptable.
- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Exhibitors alone are responsible for the behavior of their dog and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such cases, no refund of any fees paid by the exhibitor will be made.
- All dogs must be on leash and attached to their handler at all times except when in the ring or when in the designated agility warm-up area. This includes the areas surrounding the outside of the show building.
- Returned checks do not constitute a valid entry fee. The Club's Treasurer will add a \$36 collection fee to the amount of each returned check.
- **JUDGES ARE NOT REQUIRED TO WAIT FOR DOGS.** The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system for the purpose of calling or locating dogs that are not brought into the ring when required.
- Dogs participating must be fifteen months of age or older and must be registered with the American Kennel Club or have an AKC Limited Registration or ILP / PAL registration. Dogs must be physically sound. Dogs that are blind shall not be eligible. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.
- Neither MNDTC, Scores-N-More nor Penn State University are responsible for the loss of, damage to, or death of any dog exhibited, or the possessions of any participant, whether the result of accident or any other cause.
- Declination of Entries: The MNDTC may decline any entries for cause and may refuse to receive or may remove dogs on account of disease, viciousness or other causes and no one shall have any claim or recourse against the Mt. Nittany Dog Training Club or any official thereof.
- Dogs must be available for measuring before their class begins. Don't lose your "Q" because you did not get measured before **you run**.
- Exhibitors are responsible for verifying the accuracy of their dog's entry information. Preliminary confirmations are e/mailed as soon as entries are processed, and final confirmations are mailed after the closing date of the trial. Revised confirmations are sent by e/mail as soon as changes are processed. If you send a change and don't receive a response, the information was not received. Absolutely no corrections will be accommodated after the final move-up deadline, which is the Monday before the trial.

AEAGL2 (10/17)

Exhibitor or owner MUST sign on the signature line beneath the instructions.

As of January 1, 2021 For Exhibition only (FEO) and Fix and Go On are permanent parts of the AKC Agility program.

If FEO is not being offered, then the FEO section does not need to be included. But it must be noted on the front of the premium list that “NO FEO is being offered at these trials”.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler’s hand. Toys that roll freely may not be used.

- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time

(Reminder: This section only needs to be published in the Premium List if the Club is offering FEO.)

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog’s performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.
