No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Bitches in season will be refunded the full entry fee. Notification in writing (including a veterinarian's certificate) must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

Staging Area will be out of view of search area(s). Staging area will include warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

Chapter 5 Section 34. Warm-Up Area.

One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers in the warm-up area if they choose.

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future. **"NO smoking is allowed on the property"**

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide. Spectators who intentionally or unintentionally give aid to a team may be asked to leave the area by the judge. Spectators are forbidden to discuss details of the search with handlers who have not run.

Crating space. There will be **NO** inside crating. Be prepared to work your dog out of your vehicle. There is no shade so please be prepared for any weather condition to keep you and your dog comfortable. There is a large pavilion that will be used as a staging area for all classes. No crating allowed in the pavilion.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

Judging Program will be sent to exhibitors after the trials close via e-mail.
