For Exhibition Only (FEO) & Fix and GoOn (FnG)

- **For Exhibition Only** (FEO) will allow exhibitors to work with dogs in a trial environment, in all classes. FEO runs are trial entries - must enter in advance in the desired jump height.
- **Fix and Go On**—allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation.

Complete details of these changes can be found on AKC's website

MEASURING and HEIGHT CARD INFORMATION

Dogs without a valid Jump Height Card/Form may compete, but they must be measured (wicketed) by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that set of trials only. The exception to this requirement is a dog entered in the 24" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the responsibility of all exhibitors to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

DOGS ELIGIBLE TO ENTER

Dogs participating must be fifteen months of age or older and must be registered with the American Kennel Club or have an AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds. Dogs must be physically sound. Dogs that are blind shall not be eligible. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

Wherever the word "dog" is used in this premium it includes both sexes. Puppies under FOUR months of age are strictly prohibited from the trial grounds.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. All classes will take place indoors on a sprint turf surface. Ring size will be 100 x 100.

NOTICE TO EXHIBITORS'

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such a case, no refund of any fees paid will be made. The **MTAC Club sponsors, Scores-N-More, and In The Net Sports Complex** and its agents, employees, etc., assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assume no responsibility for injury to children. The **MTAC** reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the **MTAC** or any official thereof.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee.

Bitches in season are not permitted to compete in Agility Trials. As such, a refund of entry fees will be given, less \$5 per run per day processing fee for bitches unable to compete for this reason upon presentation of a veterinarian note. A refund of 50 percent of entry fees will be given for injured dogs or injured handlers, upon presentation of a veterinarian or doctor's note. This note must be presented to the Trial Secretary prior to the start of judging on the first day for which a refund is requested. This is a MTAC policy, not a Scores-N-More policy.

RINGSIDE

Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Clubs have no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine PartnersSM** program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

Halloween Parade and Costume Contest

Monday 30 September

The Sealyham Terrier Club of America will be holding a costume parade on Monday 30 September in the middle of the day. (The agility rings will be halted for the parade.) No registration is required.

The parade will start at the breed villages, go past the announcing and reviewing stand, and then around the room.

Breeds will walk together and go in alphabetical order.

Prizes will be given for Best Overall Costume, Spookiest Costume, and Most Creative Costume.

Donations will be collected for the Sealyhams Forever Foundation.

Breed Village Competition

This facility has plenty of crating space. Many like to crate with other owners of the same breed. To encourage breed spirit, there will be a "breed village" competition.

Each participating breed will have a designated area for crating which will be their "village" (size based upon breed entry numbers). A local dignitary will provide impartial judging as to the "best village". Judging will be based upon accessibility, neatness, anything that demonstrates breed spirit, etc.

For those who do not like villages, there are plenty of "rural" areas available for crating.

The theme for the 2024 Montgomery Terrier Agility Cluster Breed Village Competition is "Halloween". This theme is to be used by all breeds who wish to be judged for the Village Competition. Decorating will be judged on creativity and appearance, as well as adherence to "Halloween" theme. Areas must be decorated by 9:00 AM on Tuesday, October 3rd.

For more info and to reserve space for your breed's village, please contact Charmaine Fedick at (484-432-4855, text please)
