IMPORTANT ENTRY INFORMATION

Please make sure you fill out your entry forms **correctly and completely** – that includes class, division, jump height, call name, registered name, AKC registration number, signature on the agreement back page, breed, dog's height, date of birth, **AND** the total fees for that entry. **Do not risk having your entry refused because you did not fill it out properly.** We hate to see you waste your overnight fee by sending an incomplete entry or wrong check (and please remember to make sure any overnights are clearly marked "NO SIGNATURE REQUIRED").

PLEASE double-check your entries before mailing them, including your math.

If your entry form is incomplete or incorrect you will have to RE-SUBMIT A CORRECTED ENTRY FORM with all the fields completed before we can process it. This is necessary due to AKC rules on entries needing to be filled out completely.

Preliminary confirmations will be sent by email as soon as entries are processed. Please review the preliminaries for correctness and submit changes and corrections. Do not wait for the close of entries!

Obstacles & Ring Conditions

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility.

The trial will be held indoors on sport turf. The ring size is 100' x 100'. Indoor crating is available.

Exhibitors and spectators are expected to keep the entire area clean. Please pick up after your dogs. Anyone witnessed not picking up after his or her dogs will be excused from the trial with NO entry fee refunded.

Course Familiarization and Warm-Ups

Handlers in all classes are permitted to walk the course without a dog prior to the start of the class, following the judge's briefing. The walk-through is restricted to handlers entered in that class. A walk-through period will be held prior to each class.

A warm-up area consisting of a regulation jump shall be provided for all exhibitors. Exhibitors may NOT use the warm-up area to relieve their dogs.

Move-ups.

If a dog earns an agility title before this event, it can be advanced to the next level of competition; however, written notice (mail or email) MUST be given to the Trial Secretary no later than 6 p.m. the Monday BEFORE the trial. No verbal changes will be accepted. Day-to-day move-ups are always accepted at back-to-back trials where Scores N More is the Trial Secretary. Reminder: You must be entered in the trial the day you submit a day-to-day move-up; for example, you may not submit a move-up on Saturday for a higher-level class on Sunday if you were not entered in the trial on Saturday.

Refunds

No entry fees will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other causes beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by action of the Trial Committee.

REFUNDS: Refunds for bitches in season/injured dogs/injured handlers

A refund of entries minus a service fee of \$15 per dog per day for bitches in season or injured dogs will be given when an official veterinarian certificate is presented to the trial secretary prior to the start of the first trial day the dog is entered.

An official Physician letterhead must be presented in case of an injured handler.

ENTRIES ARE LIMITED TO 10 DOGS PER ENVELOPE - NO EXCEPTIONS!!!!

As per Chapter 1, Section 20, American Kennel Club Regulation for Agility Trials, dogs may be moved up to a higher class, at the request of the Owner, as a result of qualifying for an agility title. The dog can also be moved up a level (Nov to Open) at the request of the owner, subject to the normal move-up criteria.

Before the trial, move-ups may be made prior to the move-up deadline via email to scoresnmore@comcast.net, or in writing to MNDTC c/o Bonnie Reifsnnyder, 250 Trail Rd., Hershey, PA 17033. Verbal move-ups will not be accepted.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is offered in all classes (T2B, FAST, JWW, and STD classes). Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop running at any time.

Fix and Go On

Fix and Go On allow exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

Reminder for Mixed Class entries: Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day. Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.
